At its Special Meeting of April 15, 2020, the Lake Orion Village Council adopted Resolution 2020-016 regarding **MEDICAL AND RECREATIONAL MARIHUANA**. Future ordinances would authorize within the Village the potential for limited numbers of marihuana retailers, provisioning centers, distributors, growers, processors, transporters, micro-businesses and designated consumption establishment. In addition, the Village will in the ordinances provide for standards and procedures to permit and regulate such facilities; to provide for the imposition of permit application fees; to provide penalties; and to pose conditions for the operation of such facilities.
