**NOTICE TO USERS OF LAKE ORION
THIS INFORMATION IS CONTINGENT ON WHEN THE VILLAGE RECEIVES THE
PERMIT FROM THE DNR**

NOTICE IS HEREBY GIVEN: EGLE will be issuing a permit for the Lake Orion Drawdown. The drawdown will start on September 26, 2022 and be completed by October 17, 2022 (lowest level). The lake level is to start being raised on November 7, 2022.

Residents will have till the end of September to get their boats safely out of the water. They will have at least three weeks to complete their work and most likely almost till the end of the year. It takes longer to refill the lake so they really have more than enough time to complete their projects.
